EQUALITY AND DIVERSITY POLICY

MISSION STATEMENT

Joseph Chamberlain Sixth Form College is committed to embracing diversity and inspiring all learners to develop the knowledge, skills and understanding to equip them for success in a globally interconnected world.

The College encourages all members of our community to be socially responsible citizens respecting our shared values and individual differences.

1. EQUALITY AND DIVERSITY STATEMENT

- 1.1 Joseph Chamberlain Sixth Form College has *valuing diversity and promoting equality* as one of its core values. These govern the way we work with each other and our approach to all learners and stakeholders.
- 1.2 The College aims to promote equal opportunities for potential and current staff, students, visitors and other stakeholders, and will actively implement all of its equalities policies in order to combat discrimination and to promote good relations between different groups.
- 1.3 We are proud to be located in a city such as Birmingham, and value the diversity of all the communities we serve. We acknowledge and celebrate the different backgrounds, cultures, languages, abilities and beliefs of our learners and staff. The College aims to promote community cohesion, and to provide a safe and harmonious learning environment where everyone feels that they belong.
- 1.4 The College works within the existing legislation relating to equality and diversity, and will take a range of actions each year to ensure it meets its general and specific public sector duties. We are opposed to, and will tackle, any harassment and all other discriminatory attitudes and behaviours, particularly in relation to the protected characteristics of the Equality Act i.e. age, disability, ethnicity, (including race, colour, nationality), gender, gender reassignment, marriage or civil partnership, pregnancy and maternity, religion and belief and sexual orientation, but also in relation to social background, class and trade union affiliation.
- 1.5 We will continue to take positive action to address any under- representation in the student, staff or governor profile, and to tackle any gaps in the success, retention or achievement rates for any equality group. We will also work to eliminate any barriers that might inhibit the success or progression of any groups of students or staff.
- 1.6 We will uphold and promote through our all our activities the British Values of respect and tolerance both for each other and for visitors to the College.

2. THE LEGAL FRAMEWORK

- 2.1 The College will comply with the current legal framework of the Equality Act 2010 in both its spirit and letter.
- 2.2 The College will take a holistic approach to work on Equality and Diversity, and will work to a Single Equality Scheme which incorporates all of its proposed actions in relation to age, disability, ethnicity, gender, gender reassignment, sexual orientation, maternity and pregnancy, marriage and civil partnership and religion and belief. We will also consider issues of socio-economic inequality and class that are not required under the Act. The Scheme will be monitored and reviewed annually.
- 2.3 In relation to disabled students, the College will adhere to its duties under the Equality Act, which now replaces the SEN and Disability Act 2001 (SENDA) and will make *reasonable adjustments* to the curriculum, information and the built environment for disabled students. We recognise that the 'anticipatory' aspect of this duty means that we need to consider what sort of adjustments may be necessary for disabled people in the future, and where appropriate, will make these adjustments in advance.

3. BROAD PRINCIPLES

- 3.1 The College will publish the actions that it intends to take each year to implement its general equality duty set out in the Equality Act 2010 (the Act) to:
- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
 - Advance equality of opportunity between people who share a protected characteristic and those who do not.
 - Foster good relations between people who share a protected characteristic and those who do not.
- 3.2 The College will continue to implement and assess the impact of its policies, procedures and practices on present and potential students, staff and visitors, to ensure that no equality group is disadvantaged.

The College believes that high quality education and training is a right for all, and will encourage all students and staff to reach their potential.

- 3.3 The College will actively work towards offering equality of opportunity to all students, staff and visitors.
- 3.4 All participants in the educational process will be made aware that they have a legal and moral responsibility to eliminate discrimination and harassment and to promote equality of opportunity and good relations between people from different backgrounds and communities, and between different equality groups.
- 3.5 The College will take active steps to eliminate all forms of discrimination (whether direct or indirect). Bullying, harassment or any other discriminatory behaviour will not be tolerated.
- 3.6 The College will take positive action to try to recruit a workforce and student body that is diverse and reflects the local population, and will address any differences in outcomes for any particular group
