At JCC, we offer one-to-one support for all students. One of the main sources of support and advice for you will be your **Personal Progress Tutor**. You will be assigned a tutor who will monitor your academic progress, deliver weekly tutorials for your development and support you throughout your time at college.

**Your Personal Progress Tutor will:**

- Ensure you to attend all lessons, are on time and have the best chance to succeed and progress
- Support you with any personal issues and keep you safe whilst at college
- Help you to develop the skills, knowledge and experience to become a successful adult
- Prepare you for your next steps into higher education, employment or apprenticeships
- Be the first point of contact for your parents
How will we do this:

As a Progress Tutor we will:

- Deliver 2 workshops per week as part of the college tutorial programme to support your personal and professional development
- Arrange a regular 1:1 meeting with you to review your progress and set targets to help you improve
- Help you with your UCAS application and write your reference
- Telephone you if you are not in class
- Meet with your parents to discuss any concerns

Our Tutorial Programme

You will meet your Progress Tutor twice per week as part of our group tutorial sessions. This programme will provide you with the tools to:

- Keep yourself and others safe
- Improve your physical and emotional wellbeing
- Become resilient and independent thinking
- Make informed choices and prepare for your next steps
